3. Matters arising from review of Minutes

None.

Acceptance of the Minutes was proposed by Dawn Gore, seconded by Ciaran Finn and accepted unanimously by Members.

The Minutes were signed by the Chairman.

4. Reports from Officers

President:

No report.

Chairman:

The Chairman had nothing to report.

Secretary:

I hope everyone had a good Christmas and wish all that is good for everyone in 2015.

In the next few days I will be sending updates for the version of the SCAS Green Book. This refers to details of Club Secretaries, County Coaches, Judges etc. If anything has changed in 2014, which has not already been sent to me, please let me know by email in the next day or two. Thank you to those who have been kind enough to supply me with their changes already.

Next meeting is our AGM, which will be held at Fleming Park. Full details will follow with Calling Notice and Agenda. If there is anything required to be included on the Agenda, please let me know by email or telephone. Please note that “any other business” is not allowed at the AGM.

In accordance with our Constitution, all Committee and Officer positions expire on the date of the AGM. Anyone is entitled to put themselves forward for election to any position, which will be decided on the night by members in attendance. Current Committee members and Officers may stand again for re-election if they wish and I will be contacting them directly on this point prior to the Meeting. Anyone wishing to stand for election should please let me know by email no later than 20th March. Please also provide a short resume of your archery history if you are not a current holder of any Committee/Officer position.

The Award of the Gray Edwards Trophy is presented at the AGM to be held by the successful Archer/Archers for a year. This Award is proposed by any member for the Associations Archer who has given exemplary service and help to Hampshire Archery generally or to individual archers in particular. I will send out full details requesting nominations to all Club Secretaries at the beginning of February. Nominations are required to be returned to me either by post or by email before the end of February.

There is currently a requirement on the nomination form that a successful nominee be in attendance at the AGM for the presentation. I would suggest that this be amended to include “the nominee or their representative” be in attendance, as in its current format, this could exclude many of our members from receiving this Award, which is not the intention.

Treasurer:

Thanked members for their co-operation in completing affiliation forms and confirmed that the Association finances remained healthy. We have one direct member but have lost one Club this year – Winchester College. A question was raised regarding the entitlement of winning trophies at Hampshire and SCAS Tournaments. Clarification was given that members who were not affiliated to Hampshire would not be entitled to win trophies in Hampshire Tournaments. This would also refer to SCAS Tournaments as Hampshire collect SCAS fees, which would not have been paid if an archer had not paid Hampshire affiliation fee. When registering at Hampshire Tournaments, an archer’s Archery GB card will confirm that there is affiliation to Hampshire County and SCAS.

Authority was given for the purchase of an additional 15 team t-shirts.

Authority was given for the Treasurer to investigate areas where the County’s investments might gain more interest.

Team Manager:

Not a lot to report at this time of year.

The trials for selection of the Sussex match is to be held at the AC Delco Easter fita, thanks to Egan for letting this happen. This is due to there being

little, or no free weekends in the calendar to arrange a stand alone event. The entry form is on AC Delco's website, HAA website, Facebook and twitter, and has been circulated to all clubs by Pauline, many thanks.

The Sussex shoot is May 3rd at Crawley, and I have very little detail other than it is a record status fita and metrics, I received emails from Doreen on Jam 22nd and have been discussing numbers etc, but we are now waiting on confirmation from the Sussex exec before this is finalised. Updates will go on HAA website as I have them.

This shoot is the same date as Waterside, and the Bath fita, if you are unable to attend the county match please submit scores to myself via email.

Approx costs for year:

Proposed approximate costs for HAA team for the season will be:

Travel for Sussex Match, £800

NCTT entries, if agreed, based on 6 teams and 2014 entry fee, £498, team numbers may change as may cost, no travel paid.

DWAA match, to be hosted by HAA in 2015, 12 entry fees, approx. £360, no travel paid,

SCAS, dependant on a host being found, as per 2014, 4 teams , £120, plus travel depending on location, so using Sussex as a guide, £800

Approx cost £2578

Clothing:

2014 saw new shirts, and a request for 15 more has been handed to the treasurer. £324.

Lastly

I have informed Pauline that I do not wish to stand as team manager in 2015, but if nobody is willing to take over, I will re-stand, and continue to select the team but I would rather not.

Target Tournament Organiser:

Re- indoors

If anybody is able to assist setting up the hall next Friday 6th from 7.00 please come along or help over the weekend.

Sat 7th - there are still places for the 8.30 session and I will be happy to accept late entries.

if anyone has some spare folders/ clip boards that I could borrow for the Head 2 head score sheets on please could they bring them along.

Sun 8th - there are still places for the 8.30 session and I will be happy to accept late entries.

Sadly there are not many entries from local clubs and the number of ladies in recurve & compound category is very low.

The outdoors - WRS has been approved for H2h sat 19th and wa1440 (inc metrics) sun 20th at Waterside AC.

Field Tournament Organiser:

Nothing further to report other than the usual request for a venue for 2015 to be offered. This could be incorporated with another Club's Tournament, and usually requires 12 targets.

Peter announced that he would not be standing as Field Tournament Organiser at the AGM. Thanks were offered to Peter for his support in this role for many years.

Records Officer:

(Read by Secretary in David's absence and appended to these minutes)

SCAS Representative

Good evening everybody

The last meeting of the Southern Counties Archery Society was on Saturday 17th July 2015 at UCL in London.

My report will be as the minutes, the only items I would draw to the counties attention would be as follows;

The Green Book will be reprinted shortly & the SCAS secretary will be sending copies to the counties for approval – if your clubs entry in the last book was wrong I would recommend contacting the county or Pauline to make sure your details are up to date.

SCAS Inter-County Team Championships – Surry can no longer host this event, SCAS has received an offer from Oxford to host it, but felt it was only fair to ask if any other counties were interested?

The AGM will be on the 25th April at 1pm.

Child Protection Officer

Nothing to report

5. Equipment and Container

The Chairman confirmed that the container and all contents had been purchased by one Club, being the highest sealed bid received. The other three bids had been for only the container or for some of the contents only. To dispose of part would have involved continuing to pay for storage and for insurance. The disposal of the whole was discussed by the Chairman, Secretary and Treasurer and accepted as the most suitable option. Payment has been made and the Treasurer confirmed encashment.

6. Future Venue for Meetings

The Secretary requested consideration by members regarding changing the venue for 2015 Executive and 2016 Annual General Meetings to Fleming Park. The cost would be £20 for the Executive meetings and the AGM would be free if the venue was booked again for 2016 Indoor Championships. Concerns have been received by the Secretary from members regarding the difficulty in parking at Hedge End and the difficulty in hearing, due to noise from users in other rooms at Hedge End. Although the cost of Fleming Park would be marginally more than is currently paid for Hedge End, it was felt that Hedge End was no longer a suitable venue. The point was made that many Clubs in North Hampshire frequently attend Executive Meetings and a venue closer to them might be considered. The Secretary confirmed that any member could inform her of an alternative venue which might be offered for consideration. The Fleming Park venue would only be booked for 2015 and 2016 AGM and a different venue could be considered for 2016 and 2017 AGM if offered and agreed by members. Fleming Park venue for 2015 Executive Meetings and 2016 AGM was proposed by Dawn Gore, seconded by Colin Stopher and accepted unanimously by members.

7. Silver Trophies

Kevin had tracked down some trophies and was arranging to collect these. Once it was known exactly what trophies there were, further consideration would be given to their future use and insurance.

8. Any Other Business

Vince confirmed that he had now received the SCAS Inter Counties' medals and would distribute these as soon as possible.

The next meeting is the Annual General Meeting on Thursday 26th March 2015 at Fleming Park Leisure Centre, Passfield Avenue, Eastleigh SO50 9NL

Meeting closed at 9.15p.m.
